

Sean

DAY FURNITURE

The essential aesthetic meets the urban suggestions and the vintage references in the Sean showcase. A piece of furniture characterized by an interesting combination of materials with different chromatic effects, such as Tay wood tinted smokey grey and bronze finish on the central strip and on the base.

Showcase with structure in wood veneered in Tay Dyed Smokey Grey.

Doors and shelves in smoked glass. Wooden handle.

Back covered in Calacatta Maximum porcelain gres.

Base and central band in wood with Brushed Bronze Lacquered finishing.

Internal LED spotlights.
