

Brompton

MODULAR SOFAS

Brompton is a sofa with soft and rounded shapes, emblematic of the search for comfort that features the Gianfranco Ferré Home 2023 collection. Upholstered in white, enveloping and textural fabric, it is characterized by apparently simple lines that conceal a refined aesthetic, evident in the impeccable tailoring and in the details with a strong visual impact, such as the metal support with a matt finish that enhances the back of the sofa.

Seat in beech wood and variable thickness high density expansive polyurethane foam, with memory foam surface layer.

Upholstery in velvet cat. A Light col. 23.22 Cream.

Metal element with Black (matt) finishing.

MODULAR SOFAS

Seat in beech wood and variable thickness high density expansive polyurethane foam, with memory foam surface layer.

Upholstery in fabric or leather from the collection.
