

DESIGN Ludovica+Roberto Palomba – 2023

SIENA, scrivania direzionale che si caratterizza per il disegno essenziale e sofisticato al tempo stesso, ottenuto dal piano che da un lato piegandosi diventa struttura e dall'altro è sostenuto da un volume significativo.

Il risultato è un prodotto che mette in scena un gioco di geometrie, linee e proporzioni enfatizzato dalla presenza e lavorazione eccellente di materiali naturali quali il legno, il rigoroso Ebano Macassar e il cuoio nero.

SIENA sarà presentata anche nella versione destinata all'homeoffice, laccata bordeaux, una finitura che per 4Mariani rappresenta un linguaggio stilistico inedito introdotto dai designer Ludovica+Roberto Palomba.

SIENA, executive desk that is characterized by the essential and at the same time sophisticated design, obtained from the top which on one side bends itself to become a structure and on the other is supported by a significant volume.

The result is a product that stages a game of geometries, lines and proportions emphasized by the presence and excellent workmanship of natural materials such as wood, the rigorous Macassar Ebony and black saddle leather.

SIENA will also be presented in the version intended for the home-office, lacquered in burgundy color, a finish that for 4Mariani represents an unprecedented stylistic language introduced by the designers Ludovica+Roberto Palomba.

#### Informazioni tecniche.

**Scrivanie e tavoli.** I piani sono realizzati con pannelli di nobilitato (per la versione in cuoio), di particelle di legno (per la versione impiallacciata) o di MDF (per la versione laccata). La gamba invece è realizzata in multistrato di faggio curvato in stampo e rivestita con una lastra di MDF per poi essere rivestita in cuoio o laccata.

**Cassettiere e allungo.** La struttura delle parti curve è realizzata in multistrato di faggio curvato in stampo e rivestita con una lastra di MDF per poi essere rivestita in cuoio o laccata; la struttura interna è in pannello nobilitato nero. Frontali di ante e cassetti in pannello di particelle di legno (per la versione impiallacciata) e di MDF (per la versione rivestita in cuoio e laccata). Maniglie in acciaio disponibili solo verniciate nere. Zoccolo in MDF laccato nero.

**Mobili.** Struttura realizzata in pannello nobilitato nero. Top, ante e frontali dei cassetti in pannello di particelle di legno (per la versione impiallacciata) e di MDF (per la versione rivestita in cuoio e laccata). Maniglie in acciaio disponibili solo verniciate nere. Cassetti in multistrato di faggio tinto nero. Zoccolo in MDF laccato nero.

**Cuoio.** In base alla categoria di cuoio scelta, la misura dei diversi "tagli" dello stesso può variare in maniera sensibile.

**Essenze disponibili di serie:** Tipo Ebano, Noce canaletto fiammato. Altre finiture disponibili solo su richiesta.

**Laccature disponibili di serie:** Qualsiasi colore abbinato ai colori di serie della categoria di cuoio CF o CS.

## Technical features.

**Desks and tables.** The tops are made with melamine coated panels (for the saddle leather version), particleboard panels (for the veneered version) or MDF panels (for the lacquered version). The leg is made of beech plywood panel curved into a mould and veneered with a sheet of MDF and then covered in saddle leather or lacquered.

**Pedestal and return cabinet.** The curved parts frame is made of beech plywood panel curved into a mould and veneered with a sheet of MDF and then covered in saddle leather or lacquered; the internal frame is in black melamine coated panels. Fronts of doors and drawers are in particleboard panels (for the veneered version) or MDF panels (for the saddle leather version and for the lacquered version). Metal handles painted in black color. Plinth in black lacquered MDF.

**Cabinets.** Frame made in black melamine coated panels. Top, doors and fronts of drawers in particleboard panels (for the veneered version) or MDF panels (for the saddle leather version and for the lacquered version). Metal handles painted in black color. Drawers in beech plywood black painted. Plinth in black lacquered MDF.

**Saddle leather.** Depending on the category of saddle leather chosen, the size of its different "cuts" can vary significantly.

**Standard wood veneers available:** Ebony type wood, Veined black walnut wood. Other finishes available only on request.

**Standard lacquering available:** Any color matched to the standard colors of the CF or CS saddle leather category.
