

DESIGN Matteo Nunziati – 2012

Struttura. Il sedile è in legno massello di pioppo e faggio (stagionato "naturalmente" per almeno 3 anni) con elementi in multistrato di pioppo; giunzioni a incastro con spine cilindriche. Il molleggio è garantito da cinghie elastiche in polipropilene e lattice naturale. L'imbottitura del sedile è ottenuta con lastre di poliuretano espanso indeformabile a densità differenziate (18÷35 kg/m³) esente da CFC; il sedile è poi rivestito con una trapunta realizzata con ovatta poliestere e tessuto o pelle. Lo schienale e i braccioli sono in pannello nobilitato imbottito con lastre di poliuretano espanso indeformabile a densità 30 kg/m³ esente da CFC; questi sono poi rivestiti con una trapunta realizzata con ovatta poliestere e tessuto o pelle.

Cuscini. Cuscino di schienale in poliuretano espanso indeformabile ed esente da CFC rivestito con una trapunta realizzata con ovatta poliestere e tessuto o pelle.

Base. Piedini in tubolare d'acciaio. Disponibili in finitura cromata o verniciata a polveri epossidiche in colore RAL a scelta.

Rivestimento. Disponibile in tessuto e pelle; non sfoderabile.

Piani. I piani di mensole laterali e posteriori e il tavolino sono realizzati con pannelli di particelle di legno impiallacciati in essenza di noce canaletto fiammato con finitura effetto cera.

Frame. The seat frame is in solid poplar and beech heartwood ("naturally" seasoned for at least 3 years) with connecting elements in poplar plywood; dap joints with cylindrical dowels. The webbing is secured by elastic polypropylene and natural latex belts. The framework is upholstered with contoured sheets of resilient, CFC-free polyurethane foam (with density of 18÷35 kg/m³); the seat is at the end covered with a polyester wadding quilted mat of fabric or leather. The backrest and the armrest are made in melamine coated panel upholstered with contoured sheets of resilient, CFC-free polyurethane foam with density of 30 kg/m³; these are at the end covered with a polyester wadding quilted mat of fabric or leather.

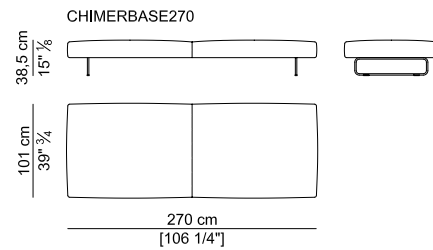

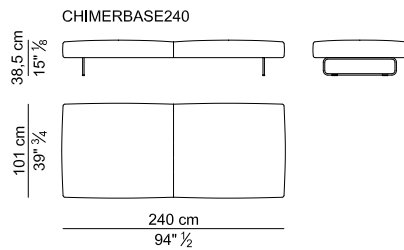

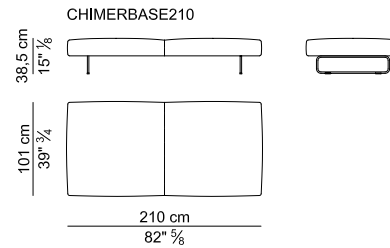

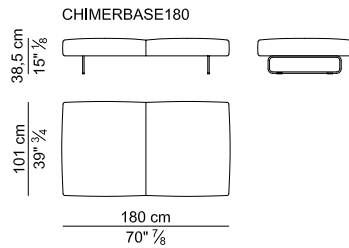

Cushions. The back cushion is in resilient, CFC-free polyurethane foam covered with a polyester wadding quilted mat of fabric or leather.

Base. Supports in tubular steel. Available chromed or epoxy powder painted in RAL colors of your choice.

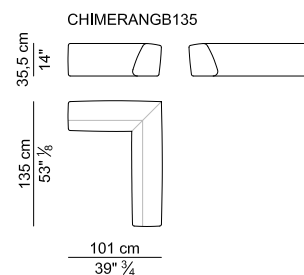

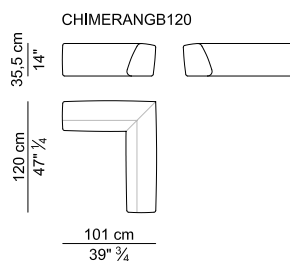

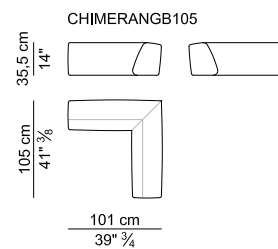

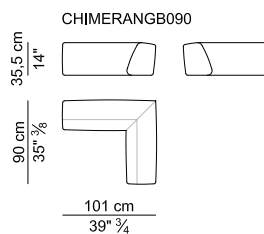

Covers. Available in fabric or leather; non removable covers.

Tops. Top of rear and side shelves and the low table are made with particleboard panels veneered in veined black walnut wood with wax effect finishing.

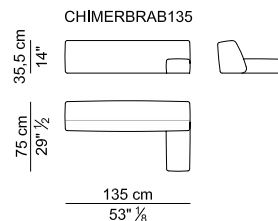

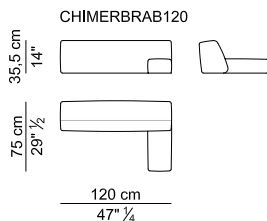

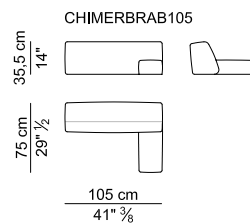

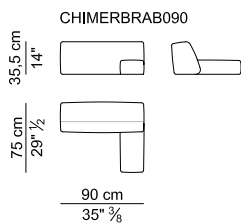

BASI - BASES

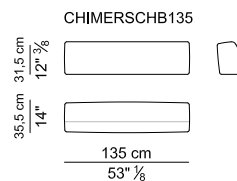

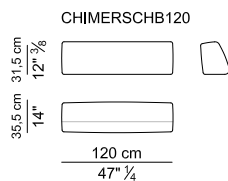

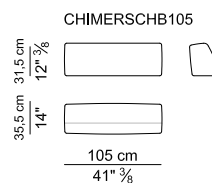

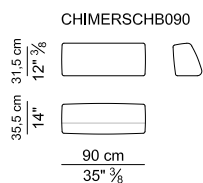

SCHIENALI ANGOLARI SINISTRI O DESTRI – LEFT OR RIGHT CORNER BACKRESTS

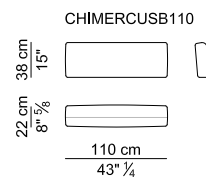

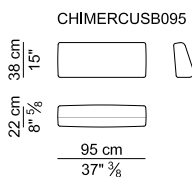

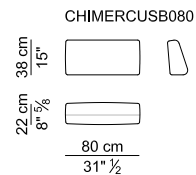

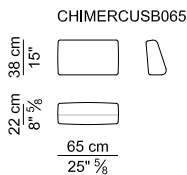

SCHIENALI CON BRACCIOLI SINISTRI O DESTRI – LEFT OR RIGHT BACKRESTS WITH ARM
