

DESIGN Umberto Asnago – 2021/2022

Informazioni tecniche.

Struttura. Il basamento ed il top sono realizzati in pannello di particelle di legno rivestito in cuoio o pelle mentre i fianchi sono impiallacciati in essenza. I divisori verticali dello scaffale e del mobile porta TV sono in cristallo fumè mentre la struttura della madia è in pannello nobilitato nero. Ante e cassetti sono variabilmente disponibili in essenza o rivestiti in cuoio o pelle.

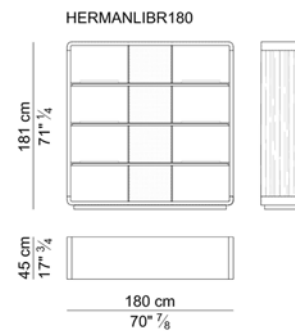

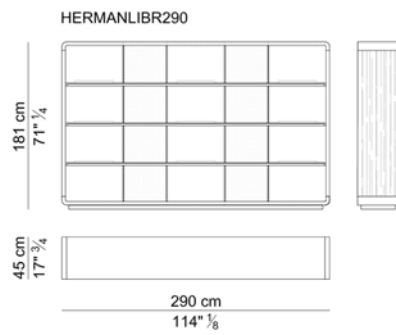

Essenze. Disponibili le seguenti essenze: a) noce canaletto fiammato; b) frassino tinto grafite. Altre finiture disponibili su richiesta.

Technical features.

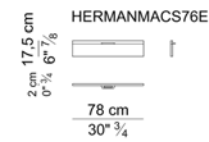

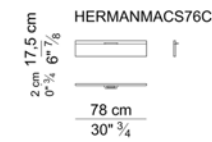

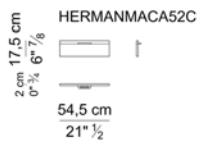

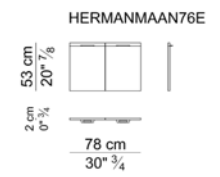

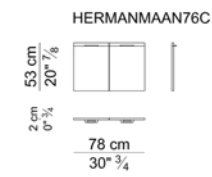

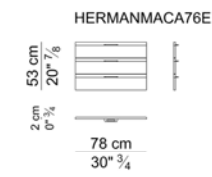

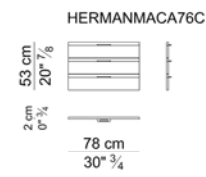

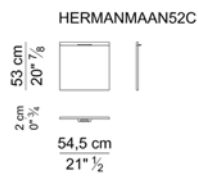

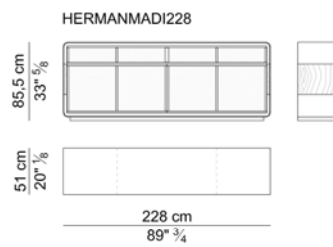

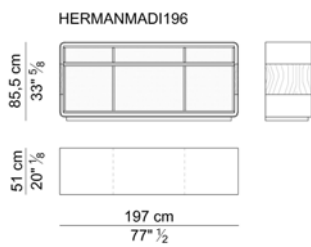

Frame. The base and the top are made of particle board panel covered in saddle leather or leather while the sides are veneered in wood. The vertical dividers of the bookcase and of the TV cabinet are in smoked glass while the structure of the sideboard is in black melamine coated panel. Doors and drawers are variously available veneered in wood or covered in saddle leather or leather.

Wood finishes. Available the following wood veneers: a) veined black walnut wood; b) graphite stained ash wood. Other finishes are available on request.
