

DESIGN Mauro Lipparini – 2007

Struttura. La testata e i fianchi laterali sono composti di diverse parti realizzate in legno massello di pioppo (stagionato “naturalmente” per almeno 3 anni) con elementi in multistrato di pioppo e pannello nobilitato; giunzioni a incastro con spine cilindriche. L’imbottitura è ottenuta con una lastra di poliuretano espanso indeformabile con densità di 70 kg/m³ esente da CFC. Testata e fianchi laterali sono rivestiti in cuoio e fissati a una struttura d’acciaio sulla quale è poggiata una rete a doghe in legno. I dettagli inseriti nella testata e nella base possono essere cromati o in noce canaletto fiammato effetto cera.

Base. Piedini in acciaio verniciato a polveri epossidiche in colore nero opaco.

Rivestimento. Disponibile in cuoio; non sfoderabile.

Comodini. In multistrato di faggio curvato in stampo rivestiti in cuoio. Le parti cromate sono in laminato con finitura cromata.

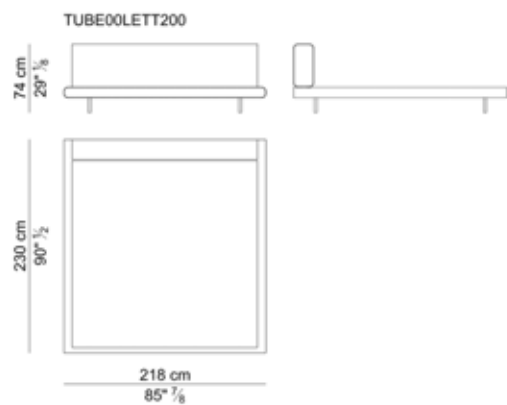

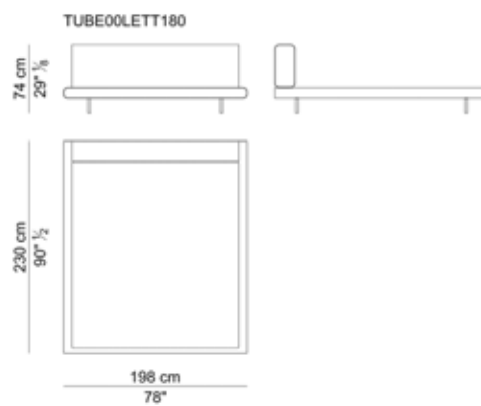

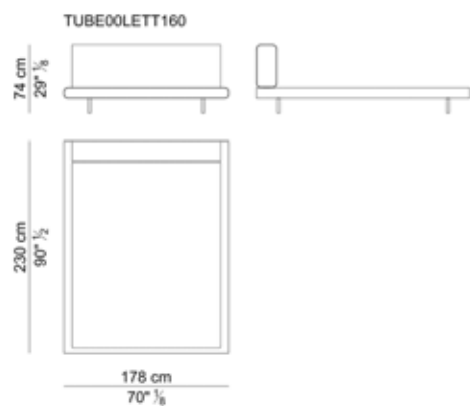

Frame. Headboard and lateral bands are made with different materials: solid poplar heartwood (“naturally” seasoned for at least 3 years) with connecting elements in poplar plywood and melamine coated panels; dap joints with cylindrical dowels. The framework is upholstered with contoured sheets of resilient, CFC-free polyurethane foam with density of 70 kg/m³. Headboard and lateral bands are covered in saddle leather and then are fixed to a metal frame where leans a wooden slatted base. The details inserted in the headboard and in the base can be chromed or in veined black walnut wood with wax effect.

Base. Supports in steel epoxy powder painted in matt black color.

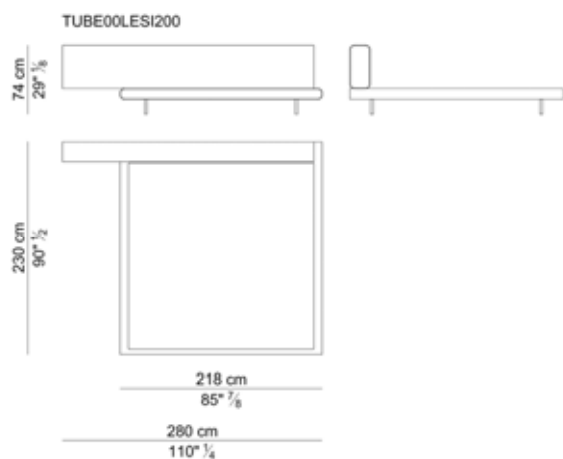

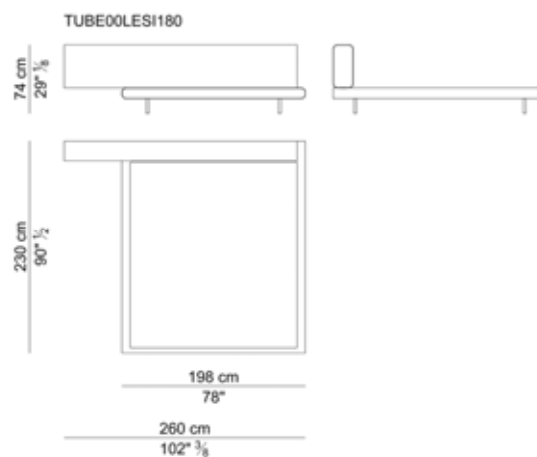

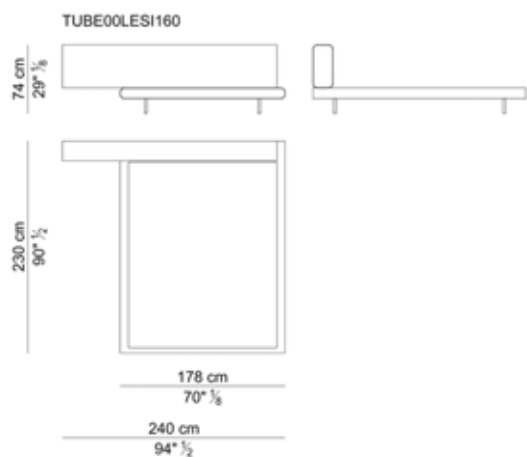

Covers. Available in saddle leather; non removable covers.

Night tables. In beech plywood curved into a mould and covered in saddle leather. The chromed parts are in laminate with chrome finish.

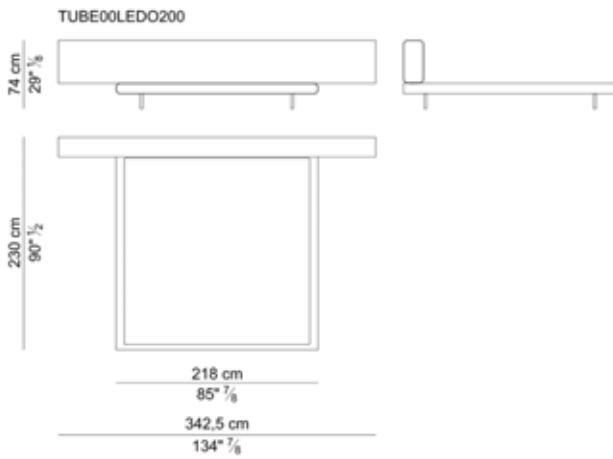

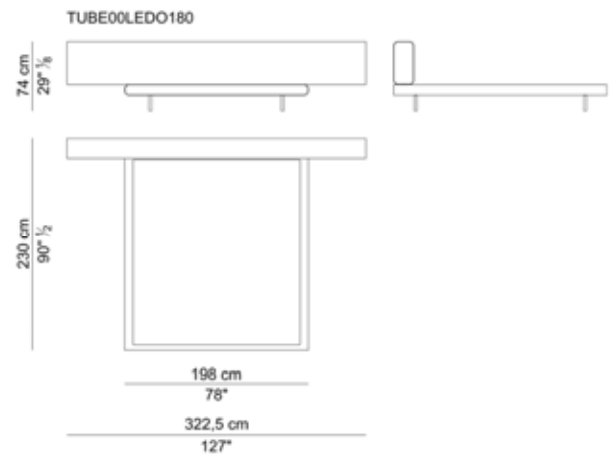

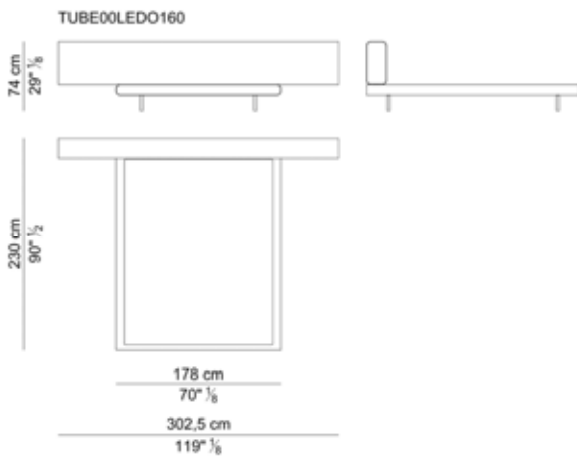

LETTI - BEDS

LETTI CON TESTATA ESTESA A DESTRA O SINISTRA – BEDS WITH HEADBOARD EXTENDED ON RIGHTSIDE OR LEFTSIDE

LETTI CON TESTATA ESTESA A DESTRA E SINISTRA – BEDS WITH HEADBOARD EXTENDED ON RIGHTSIDE AND LEFTSIDE
